

Annual Banquet & Membership Meeting

SUNDAY, SEPTEMBER 14
4:30 - 7:30 PM

Keynote: Tim Rinne

“TURNING FOOD INSECURITY INTO FOOD SECURITY”

NFC member Tim Rinne is the initiator behind Lincoln’s ‘Hawley’s Hamlet’, a neighborhood gardening collective that generates food security for his neighborhood community and was featured in the April/May 2014 issue of *Mother Earth News*. Tim is a founding member of the “Let’s Grow!” campaign, which is an initiative of the Lincoln Local Foodshed Working Group. Tim’s ‘Hamlet’ is attracting attention not only from the staff in the Lincoln Mayor’s office, but he is highly sought after by UMC’s ‘Micah Corps’, Buy Fresh Buy Local, Community Crops, Open Harvest, and has been invited – at the behest of the Mayor’s office – to submit a TEDx Lincoln proposal. For the last two decades, Tim’s day job has been serving as the savvy State Coordinator for Nebraskans for Peace.

Fontenelle Forest

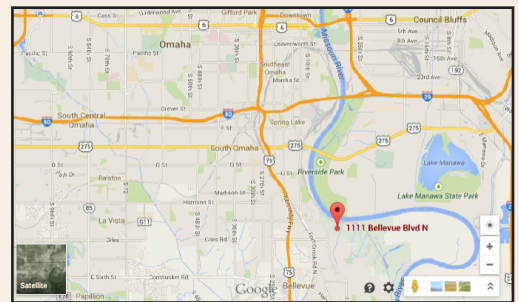

Bellevue, south of downtown Omaha

Fontenelle Forest began in 1910 when a team of area scholars and businessmen gathered to preserve the beautiful lands along the Missouri River just south of Omaha to be used as a place for hikes and picnics. It has earned the official designation of its upland and lowland forests as ‘very rare’ ecosystems by the State of Nebraska.

In the 1960s, the addition of educational hikes proved popular, which resulting in the opening of a nature center. The total land area owned and managed has expanded to approximately 2,000 acres. Today, Fontenelle Forest’s lands encompass one of the largest natural deciduous forests in Nebraska and is listed as a National Natural Landmark and a National Historic District by the US Department of the Interior.

So arrive early, relax, and enjoy Fontenelle Forest’s nature trails before joining other NFC members for an elegant French cuisine banquet (*hiking fees waived for NFC attendees*).
